Wednesday Night Athletics

It's great to see so many youngsters coming up on a Wednesday night, it is also good to see all the volunteers we now have to make a successful session to be enjoyed by all who attend, for all the parents that are coming up and watching with younger siblings PLEASE can you keep them away from the track as they distract the younger athletes and may run out in front of others who may be running around the track training. We thank you for your co operation in maintaining a high level of health and safety at the club.
