## Wednesday night is Junior Night!

To All Junior members & parents.

We hope you are all keeping well and safe at this current time.

Both Nick and I have worked tirelessly over many months to get to this point and planning every phase carefully ensuring every entry back in to the club goes smoothly but also safely: we have looked at the welfare and general wellbeing of everyone connected to the club. We have a status of “**COVID 19 Secure environment**” and we would like to keep it this way, therefore we have put more measures in place along with our Risk Assessment for the returning children, therefore we are announcing that as from September 2<sup>nd</sup>, we will be putting on our Junior night again.

It is extremely important that this return of our Junior night goes smoothly so please **DO NOT bring your child to session if they are showing any signs of illness. We must ensure safety for all.**

We have helpers and assistants willing to commence on this date, which we think is great news! We have precautionary measures in place to practise social distancing and to ensure the safety on the track and field throughout this time: we respectfully ask **all members and parents** to keep this at the forefront of our sessions.

**Changes have been made, so we are asking** parents to tell their children how very important the contents of this letter is and that they will need to observe all the following guidelines below.

- **DO NOT arrive before 5.45pm. Session start is 6pm. Everyone must book in at reception.**
- If you arrive by car, we request **only the athlete exit the car**, however **U11/9**: we are happy for you to wait with you child until they reach the reception area on the outside of the cordoned off section. **Adults please wear your mask and then return to your car; you must not stand or wait on the veranda or in the carpark. Car park marshals will be in place for guidance.**
- **Temperatures will be taken as a precaution:** we ask for your full cooperation please.
- We will put your child in a bubble, and they will need to stay with that group and that coach until further notice. We are looking at a ratio no bigger than 2 adults:13 children. Siblings will be staying together in a bubble. We will not be changing or swapping children around.
- **Poor behaviour will NOT be tolerated; your child will be sent home immediately.**
- **Do not bring siblings to the track.**
- Toilets will be open to **Athletes only**:
- There will be **NO tuck shop.**
- **When entering the car park you will be instructed by our car park marshals:** a one-way system has been put in place for safety: it includes a prop off point and a collection point however, please bear with us if any issues are raised. Be patient please.
- Please observe that we always have a “**No dogs policy**” at the track!
- Athletes are to bring their own “named bag”, (no bigger than A4 size) to the track. This must contain your own hand gel, water bottle and any medication (labelled clearly please).
- **Follow all Club Rules and listen to the coach.**
- **Please ensure social distancing is always adhered to.**
- **Collection point of your child will be at the ramp.**

**Additional information for u13/15/17/20's all of the above apply including the following**

- Each athlete will select one event for one month, thereafter you can choose another event if you wish to try for the following month (this will be monitored accordingly). You can however stay with your first choice if you wish.
- Your choice will hopefully be in smaller groups.
- Please bring your personal bag with you and you will “set up” where the coach asks you too.
- Some events will be limited to numbers i.e. high jump. This is due to the cleansing of equipment.
- Please always listen to the coach.

There will be additional requirements throughout this time, but we will monitor and review constantly: so, we **request patience, understanding and full cooperation of all our members and their parents.**

Yours in Sport

Nick Bull  
Chairman & Head Coach

Cheryl Angell  
Vice Chair, Welfare Officer & Coach

22.8.2020.
