

TK Statement 10.2.2021 update.

Dear Members & Parents.

I hope we find you all safe and well.

At present, we have still no update from England Athletics: we do not expect to hear anything until the next Government announcement later this month, but we wanted to reassure you all, that we will continue to act on the say so of England Athletics and all the governing bodies that we must adhere too.

Once we get the official go ahead, we are going to continue with our plan of a “phased entry”: further details will be issued nearer the time. TK are fully committed in keeping our **“COVID19 SECURE ENVIROMENT”**. It is especially important that we sustain this status, therefore, we will be keeping everything that we have already in place, and we will continue to do this for the foreseeable future: this is our way of preserving what we already have, so we can continue training at the track and that its safe for all.

Nick and I will do our absolute best to get you back to “training” when possible, but we must wait the same as everyone else before we announce our next move. Once it arrives, we will start making the arrangements and notifying you, so keep looking out for information on our social platforms but also please bear will us at this time.

Take care and hope to see you all soon.

Kindest regards

Cheryl Angell  
COVID 19 Officer, Vice Chair, Welfare Officer & Throws Coach.

Nick Bull  
Chairman & Head Coach
